

**CALLING 1,000 PEOPLE TO TAKE  
ACTION AND PLEDGE  
SUPPORT TO SET FISHERIES  
MANAGEMENT ON COURSE**

**PLEDGE SUPPORT FOR THE FLEET  
VISIONING PROJECT!**

**... for a diverse New England fishing fleet**

**... for an economically viable New  
England fishing fleet**

**... for an environmentally sustainable  
New England fishing fleet**

**... for a fishing fleet that is managed  
through a participatory governance  
structure.**

**SIGN THE PLEDGE TODAY**  
**(see reverse for how to take action)**

**NAME:**

**EMAIL/PHONE:**

# **TAKE ACTION AND SUPPORT THE FLEET VISION PROJECT**

## **If you are a FISHERMAN**

- Join the Fish Locally Collaborative (FLC)
- Work with the FLC to transform both fisheries policies and markets for seafood.

## **If you are a FISH CONSUMER**

- Join a Community Supported Fishery (CSF) near you.
- If there are no CSFs near you, help start up a CSF and support your local fishermen.
- Get to know your local fishermen and buy local-sustainably caught seafood.

## **If you are a POLICY MAKER**

- Adopt the outcomes of the Fleet Vision Project
- Use the Fleet Vision Project outcomes as a base point for all future decision making
